

## **Icelandic mobility**

The Icelandic mobility was held on April 25th until April 29th. The participants included several Icelandic teachers as well as two participants from the UK, two from Poland, one from Turkey/Yalova, four from Turkey Turkey/Adana and four from Spain.

The visit started with a welcoming ceremony where the all the students in Glerárskóli sang. The rest of the day was spent in the school, looking into different classrooms, and learning all about the Icelandic school system. On Tuesday the group visited The Directorate of equality (see <https://www.jafnretti.is/en> for more information) where everyone learned everything there is to know about equality in Iceland. After the visit he partners presented the work they had done so far which included many interesting activities. They day ended with a coordinator meeting where the rest of the project was discussed. Rest of the trip was spent sightseeing in the Norther part of Iceland. The group visited beautiful places such as Lake Mývatn and Húsavík, and saw waterfalls, woodland areas, and geothermal baths. The group also tasted Icelandic cuisine and learned about the Icelandic culture.

The next and last mobility will be held in Turkey in June.
